Heading should be bold. Text should be justified. Before producing the final copies of a project report the candidate should ensure that all the spelling, grammar, punctuation and bibliography is complete and exact.

Chapter headings must begin with new page and must be typed in upper case letters.

Snapshots: 15-20 snapshots should be there in report...Snapshots must be labeled as Figure <chapter no>.<snapshot no.>: Title of the snapshot.

The label should appear below the snapshot.

DVD-ROM: All reports should include soft copy on DVD-ROM accompanied with the following:

1) Software used in project (For eg. Apache Tomcat/JDK etc).

2) Code of complete project.

3) Complete documentation.

4) Scanned copy of certificate.

5) Running Software

6) There must be another file named "READ.ME".Which must contain the name of each project group member along with the Supervisor's name and abstract of the project.

Abstract:

The abstract is to be in fully-justified text.

Use the word "Abstract" as the title, in 16-point Times, bold type, center aligned, initially capitalized.

The abstract is to be in 12-point.

It should succinctly summarize the reason for the work, the main findings, and the conclusions of the study.

The abstract should be no longer than 250 words.

Do not include art work, tables, elaborate equations or references to other parts of the paper or to the reference listing at the end.

Figures: All figure and diagrams must be clearly explained. Name of diagram must be in Times new roman, black, size 16 for text. The text other than name should be Times new roman, black, size 12. Abbreviations used in the figures must be explained in the list of Abbreviations page. ***Figure label will appear below the figure*** as:

Figure <chapter no.>.<figure no.>: Title of the figure

Tables: All tables should be properly numbered and labeled as below.

Table <chapter no.>.<Table no.>: Title of the table

Label of the table will appear above the table.

Reference: All the references should be arranged alphabetically or serially as the case may be for quoting in text.

Certificate

I hereby declare that the work which is being presented in the project report entitled, **“<Project Title>”**, in partial fulfillment of the requirements for the award of degree of Bachelor of Technology submitted in Computer Science and Engineering of Meerut Institute of Technology, Meerut, is an authentic record of my own work carried out under the supervision of <***Name of supervisor***> and refers other researcher’s works which are duly listed in the reference section.

The matter presented in this Project has not been submitted for the award of any other degree of this or any other university.

(***Name of Candidate)***

This is to certify that the above statement made by the candidate is correct and true to the best of my knowledge.

ACKNOWLEDGEMENT

It gives us a great sense of pleasure to present the report of the B. Tech Project undertaken during B. Tech. Final Year. We owe special debt of gratitude to Mr./ Ms. <Name of Supervisor> and <Name of Project Coordinator>, Department of Computer Science & Engineering, Meerut Institute of Technology, Meerut for his constant support and guidance throughout the course of our work. His sincerity, thoroughness and perseverance have been a constant source of inspiration for us. It is only his cognizant efforts that our endeavors have seen light of the day.

We also take the opportunity to acknowledge the contribution of <Name of HOD>, Head, Department of Computer Science & Engineering, Meerut Institute of Technology, Meerut for his full support and assistance during the development of the project.

We also do not like to miss the opportunity to acknowledge the contribution of all project co-coordinators and faculty members of the department for their kind assistance and cooperation during the development of our project. Last but not the least, we acknowledge our friends for their contribution in the completion of the project.

ABSTRACT

An Abstract is required for every project report; it should succinctly summarize the reason for the work, the main findings, and the conclusions of the study. The abstract should be no longer than 250 words. Do not include artwork, tables, elaborate equations or references to other parts of the paper or to the reference listing at the end. The reason is that the Abstract should be understandable in itself to be suitable for storage in textual information retrieval systems.
